Dear Parents and Athletes,

The Athletic Department is requesting a \$60.00 donation for each athlete for each sport they play. This money helps offset some of the following costs: officiating, uniforms, equipment, etc. 1/3 of this amount will go to the team the athlete is playing for. The team portion of the money can be used at the coach's discretion for other team needs such as tournaments, team party, etc.

We would appreciate your support for athletics so that we can continue to maintain a high quality program that athletes will be proud to be a part of.

Sincerely,

Judy Namanny
Athletic Directors
